

Dr. Mohammad Amin Latify

Assistant Professor of Department of Electrical and Computer Engineering

Office : Department of Electrical and Computer Engineering, Isfahan University of Technology, Isfahan, Iran

Email : latify@cc.iut.ac.ir

Phone : +98 31 33915356

Fax : +98 31 33912451

Web Site : [Mohammad Amin Latify](#)

- Assistant Professor of Department of Electrical and Computer Engineering

Research Fields :

- **Electricity Markets and Economics**
- **Smart Grid**
- **Power System Operation and Planning**
- **Optimization Methods Applications**
